

## **Covington Middle School**

### **Special Needs Campus Parent Ambassador Program-**

Covington Middle School is excited to offer the **Campus Parent Ambassador Program** for parents who have a child receiving supports from special education.

My name is ***Theresa Attea*** and I am a parent volunteer at Covington, serving as *your Campus Parent Ambassador*.

- ◆ My role is to offer parents and those who are raising a child with special needs:
- ◆ Another parent with whom to connect regarding your child's unique needs,
- ◆ Special Needs CPA Speaker meetings- monthly meetings to provide information about special education topics, speakers, and emotional support in a group setting,
- ◆ Resources and information for educational opportunities and services within the campus, AISD and the community,
- ◆ Emotional support and direction in navigating special education in the school system.

I hope you can join us!
