- 1 Composition Notebook

- ★ Each student is required to carry an organized binder from class to class called a “travel binder.” This binder will serve as a critical tool throughout the school year and will replace a backpack.
- ★ Permanent markers are not allowed on campus.
- ★ Note to parents: Starting in Middle School, students leave their school supplies at home and refill their backpacks as they need items. No need to bring all supplies to the school; just fill their backpack with some basics, and the teachers will tell them what they need and when to bring it.
- ★ If you need assistance in purchasing supplies, please contact your counselor.
