

## Drop-Off & Pick-Up Policies

To ensure the safety of all students and the smooth flow of traffic during arrival and dismissal, please follow these guidelines:

### Bus Zone:

- Students may not be dropped off or picked up in the designated bus areas at any time. These zones are strictly reserved for school bus use only.

### Car Rider Lane:

- When using the car drop-off and pick-up area:
- Please do not allow students to exit or enter the vehicle from the far lane. For safety, students should only enter and exit from the curbside lane closest to the school sidewalk.
- Move all the way forward in the lane to keep traffic flowing and prevent backups on Convict Hill Road.
- Remain in your vehicle during drop-off and pick-up unless assistance is needed from school staff.

Your cooperation helps us maintain a safe and efficient environment for all families.  
Thank you!
